Summer Blazers – The Edit

“A girl should be two things; classy and fabulous” Coco Chanel

You can not go wrong with a blazer in any season, in Summer they are a wardrobe essential, throw over a flowy, floral dress or team with a t shirt and white skinnies. Also a great way to add a pop of colour to your neutrals too.

My personal pick on this list are the ones from Fox London, I

own a couple from there and I really do love the material, quality and fit for the price. There are plenty to choose from here so if you need any help narrowing down for your occasion or body size please get in touch.

Below I have picked my best of current high street, treat and luxury.
